Welcome to the Academy

Boris Johnson opened the Cycle Systems Academy in 2009 and it has been going strong ever since.

A range of courses are offered from basic maintenance skills classes to full ten day professional accreditation. Specialist courses such as Brompton specific maintenance classes and wheel building courses are also available.

Cycle Systems is also very proud of its in-depth and easy to follow online tutorials in cycle maintenance which are free to everybody at:

www.cycle-systems-academy.co.uk/tutorials.

Just be sure to know who to call out if you do get stuck!
